Description

Muro
Sculptural simplicity meets natural luxury in the Muro, a linear wall sconce crafted with beautifully veined alabaster. Its tall, architectural silhouette glows from within, casting a soft, diffused radiance reminiscent of candlelight through carved stone. Bringing serene, organic warmth to any setting, the Muro is ideal for hallways, bathrooms, living areas, and feature walls—offering both ambient illumination and an artful, contemporary presence.

*Due to the natural characteristics of alabaster, colour and pattern variations may occur.
*Features a 5CCT switch on the LED module to adjust the 5 selectable colour temperature
